and is entitled to vote at the Federation's World Council meetings

DR W.S. BRUD

Chairman of the Executive Committee

RONALD V. NEAL

Chairman of the Membership Committee

DATE: 9 November 1987

IFEAT's principal objectives are:

- (1) To advance and promote the commercial viewpoint of the essential oils industry worldwide and act as an international commercial counterpart complementing the work of existing institutions.
- (2) To encourage the production of essential oils and to develop relations with other relevant international associations.
- (3) To encourage international meetings and to develop a constructive dialogue among producers, dealers and users of essential oils.
